REVIEW SHEET

Please review the article within SIX WEEKS of receipt and return to the Editorial Board

Title:

Author:

Date of sending:

1. General value of the work

- the work is original and introduces new concepts to the discipline
- the work contains new and interesting elements
- the work does not include any new elements but rather reproduces earlier studies

2. Is the content of the proposed paper relevant to the subject matter of the journal?

- YES
- NO

3. Does the length and structure of the article conform to the journal’s guidelines?

- YES
- NO

Other notes.....
.....

4. Does the title correspond to the content of the work?

- YES
- NO

5. Is the subject presented in a clear and logical manner?

- YES
- NO

6. Are the conclusions supported by sufficient evidences?

- YES
- NO

7. Abstract

- appropriate
- does not (sufficiently) summarize the subject matter of the study
- requires revision

Other notes:
.....

8. Research methods*

- selected and presented well
- poorly selected
- presented not clearly
- N/A

9. Research material*

- sufficient
- Insufficient; lacking
- N/A
